Education

Maulana Azad National Institute of Technology, Bhopal

2021 - 2025

B.Tech in Computer Science & Engineering

Work Experience

AlgoUniversity

May 2024 – July 2024

Software Development Extern

Remote

- Developed an Online Judge platform for users to solve programming problems and get test case verdicts. [Project Link](#)
- Use MERN Stack for create the project.
- Got mentorship of engineers working in the industry from many years , I learned real word software development and learned about scalability.
- Created APIs in Express.js for CRUD operations and stored data in MongoDB Atlas. [Source Code](#)
- Deployed the project to AWS for cloud storage and ensured scalability and reliability.

Training in Web development

July 2022 – August 2022

web development trainee

Remote

- Complete training in web development with mentor from microsoft.

Projects

Automated Invoice Management System.

[Project Link](#)

- Developed a web application to extract and manage invoice details from uploaded PDF or Excel files using **Gemini AI**.
- Implemented intelligent data extraction to retrieve key details such as invoice number, date, and total amount.
- Built a user-friendly interface with **React.js** and **Tailwind CSS** for seamless uploading and reviewing of extracted data
- Handled file uploads and processing using **Node.js** and **Express.js**, ensuring secure and efficient data handling.
- Enhanced productivity by automating manual data entry and achieving high accuracy in data extraction.

File sharing system

[Source Code](#)

- Create a file sharing system in which user can upload documents and images to get a link which can be share.

Technical Skills

Languages: Java, C++, JavaScript, Golang

Backend: Node.js, Express.js

Frontend: React, TailwindCSS, HTML, CSS, Bootstrap

Clouds & Databases: AWS, MongoDB

Web Technologies: Docker

Developer Tools: Postman, VS Code, GitHub

Honours and Awards

Accelerator Programming Camp

May 2024 – present

Batch of 2025

AlgoUniversity

- * Got selected being in top **1.4% out of 40,000** students who applied, got mentorship under the seniors engineers of Apple, Google, Grab Singapore and Alphagrep Singapore.
- * Learned how to build Scalable systems, deployments and gained industry-level work experience.

NCC Cadet

2021-2023

- * I have been selected for NCC in my college got **B-certificate in NCC** and conduct many activity as NCC cadet.

Naukri young Turks

2024

- * Came under 5% in young turks competition beating 5Lakhs students from all over India.

Robotics MANIT

2021-present

- * Selected as member of **robotics club of MANIT** and work as the web developer in the club.

Algorithmic Competitions/Achievements

- Solved **100+** super hard DSA problems from **Rapid Growth Problemset**, building problem solving skills.
- Won coding contests** in the [Accelerator Camp](#) beating top students of IITs/NITs and IIITs.
